

How To Find The Right Charity Partner Quiz

How important is charitable giving to your community and team?

Very A little

Are you looking for a close partnership with the charity? Do you need ongoing updates on the impact of your donations?

No, don't have time to manage this

Do you want to vet the charity yourself or would you like someone else to?

Someone else, please!

Philanthrop3

Philanthrop3 makes it easy to donate to well vetted causes, in good company! Join our collective and donate together to increase impact and support worthy causes alongside other NFT projects. We streamline the philanthropic side of NFTS.

Large Charity

Large charities are able to have significant global impact and often carry brand recognition. For large charitable partnerships, this can be very beneficial.
TIP: If you need a tax deduction on your donation ensure your non profit of choice is registered with that status in YOUR COUNTRY.

Does your donation need to be tax deductible?

No Yes

We'll vet

High impact

Small Charity

Small charities are perfect for a close knit, ongoing relationship with your NFT project. Find the charity that's the right fit and work with them to find a way to cross promote and provide meaningful updates to your community.

Decentralized Philanthropy

Honey Badges is revolutionising philanthropy via peer-2-peer grants to global change-makers. Donate to our community fund and help us provide incredibly meaningful small grants to people able to have a huge impact. We reach people and regions most in need of support!

Do you intend to make a large donation? (\$20k+)

Yes No

What's more important, a high impact donation or an on-brand partner?

On-brand
